4. Policy Statement

- 4.1 A student has the right to raise a complaint or appeal, and to have that matter considered with courtesy, in a timely manner and without fear of prejudicial treatment.
- 4.2 This policy sets out the procedures which students should follow when they have a complaint or appeal in accordance with the Higher Education Standards Framework (HESF) 2015 and the ESOS National Code 2018.
- 4.3 WSUIC believes complaints and appeals should be resolved, wherever possible and appropriate at the informal level with a minimum of formal procedures. Wherever possible, an informal process involving discussion between a student and a member of staff will be conducted in each case to try to resolve the issue prior to a formal appeal being lodged.

5. Policy Principles

- 5.1 The consideration of complaints and appeals will be dealt with according to principles of procedural fairness which respect the right of a complainant or appellant to be heard by an impartial party.
- 5.2 In all matters of dissatisfaction, students and staff should attempt to resolve the conflict informally in a cooperative manner. If this is not possible, or the outcome is unsatisfactory, the formal process may be commenced. It is best practice that issues are resolved as close to the source as possible.
- 5.3 Complainants, appellants and respondents will not be subject to discrimination or harassment resulting from their participation in the complaints or appeal process.
- 5.4 Staff will make all attempts to respond to complaints within the time limits set out in this policy.
- 5.5 This policy will be made available to the students and the public on the WSUIC website and SharePoint site and students will be alerted to the process and who to contact as part of their orientation to WSUIC.

International College

- 5.6 Complainants, appellants and/or respondents have the right to be represented, or accompanied, by a third party (such as a family member, friend, counsellor, or other professional support person other than a qualified legal practitioner) if they so desire.
- 5.7 All communications arising from the complaints process, together with the proceedings of the Appeals Committee, will remain confidential, except to the extent necessary to give effect to this Policy.
- 5.8 Where the appeal relates to suspension of enrolment, students may maintain their enrolled status whilst awaiting the outcome of the appeal.
- 5.9 If, at any time during the internal or external appeals process, a decision is made which supports the complainant/appellant, WSUIC will immediately implement the decision and advise the complainant/ appellant of the outcome.
- 5.10 The WSUIC Student Services Team is available to provide students with advice and direction to prepare a written appeal. The Student Services Team cannot give advice regarding the likelihood of success.
